

Scope and Topics

The 2-days Training programme will train participants on Important Bioinformatics appliance. In this training, participants will be learning how to use Bioinformatics softwares & tools and their applications in various aspects in biology. This will include analysis of biological complex data. This is a hands-on course thus at the end of the training the participants would gain the ability of handling the existing bioinformatics packages and their interpretation.

Participants

B.Sc., PG students/ Researchers are welcome. 20 Nos. of participants will be selected. Participants should carry laptop, if possible.

Registration Fees: Nil

Accommodation

Participants should arrange their accommodation by themselves or organizer may arrange on request. No TA/DA will be paid for attending the training course.

Important Date

Last date for the receipt of application form: **July 19, 2018.**

About us

The Bioinformatics Infrastructure Facility (BIF) at Biotechnology Group, BSTD Division, CSIR-NEIST, Jorhat runs under the Biotechnology Information System Network (BTISnet) programme of DBT, Ministry of Science & Technology, Government of India. The Centre was established on February, 2008 to promote innovation in Biological research and education through Bioinformatics accomplishment.

Organizing committee

Advisor

Dr D Ramaiah, Director
Dr P. Sengupta, Chief Scientist
Dr HP Deka Boruah, Head, BSTD

Coordinator

Dr Ratul Saikia
Coordinator, BIF Center
BSTD-Biotechnology

Co-coordinator

Dr Yumnam Silla Devi
BSTD- Biotechnology

Members

Dr S B Wann, Mrs. A. Yadav, Dr R K. Sarma

Correspondence

For registration, interested applicants may apply through email along with CV to:

Training on Bioinformatics Skill Development

July 25 - 26, 2018

Organized by

**Bioinformatics Infrastructure Facility
BSTD - Biotechnology
CSIR- North East Institute of Science &
Technology
Jorhat-785006, Assam**

Supported by

**Department of Biotechnology
Govt. of India
New Delhi**
