## **A. Introduction**

### **1.1 Eligible Bidders**

- 1.1.1 This Invitation for Bids is open to all suppliers.
- 1.1.2 Bidders should not be associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Purchaser to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods to be purchased under this Invitation of Bids.
- 1.1.3 **Enlistment with Central Purchase Organization (e.g. DGS&D): Any Indian agent who wishes to quote directly on behalf of their Foreign Principal should be enlisted with Central Purchase Organization (e.g. DGS&D). For details please refer to DGS&D website under heading “Registration of firms”, sub-heading “forms and guidelines for compulsory enlistment of Indian agent”. Any bid submitted by such Indian Agents who are not enlisted with DGS&D will be summarily rejected.**

### **1.2 Cost of Bidding**

- 1.2.1 The Bidder shall bear all costs associated with the preparation and submission of its bid, and “the Purchaser”, will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

### **1.3 Fraud and corruption:**

- 1.3.1 The purchaser requires that the *bidders*, suppliers and contractors observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy, the following are defined:

“Corrupt practice” means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;

“Fraudulent practice” means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;

“Collusive practice” means a scheme or arrangement between two or more bidders, with or without the knowledge of the purchaser, designed to establish bid prices at artificial, non-competitive levels; and

“Coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract;

- 1.3.2 The purchaser will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question;

## B. The Bidding Documents

### 1.4 Cost of Bidding Documents

1.4.1 Interested eligible bidders may purchase the bidding documents on payment of the cost of bidding documents as indicated in the invitation for bids/NIT or alternatively, the bidding documents can be downloaded from our web site as indicated in the invitation for bids/NIT free of cost.

### 1.5 Content of Bidding Documents

The goods required, bidding procedures and contract terms are prescribed in the bidding documents which should be read in conjunction. The bidding documents, apart from the invitation for bids have been divided into 9 chapters as under:

Chapter 1	:	Instructions to Bidder <b>(ITB)</b>
Chapter 2	:	General Conditions of Contract <b>(GCC)</b> and Special Conditions of Contract <b>(SCC)</b>
Chapter 3	:	Schedule of Requirements
Chapter 4	:	Price Schedule Forms
Chapter 5	:	Qualification requirements
Chapter 6	:	Contract Form
Chapter 7	:	Other Standard Forms comprising: (a) Bidder Information Form (b) Manufacturer's Authorization Form <b>(MAF)</b> ; (c) Bid Security Form (d) Performance Statement Form (e) Deviation Statement Form; (f) Service Support details; (g) Bid form (h) Performance Security Form; (i) Acceptance Certificate Form. (j) Bank Guarantee For Advance Payment (k) Technical Compliance Statement Form
Chapter 8	:	Specifications and Allied Technical Details
Chapter 9	:	Evaluation of tender.

1.5.2 The Bidder is expected to examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all information required by the bidding documents or submission of a bid not substantially responsive to the bidding documents in every respect will be at the Bidder's risk and may result in rejection of its bid.

## **1.6 Clarification of bidding documents**

1.6.1 A prospective bidder requiring any clarification of the bidding documents shall contact the Purchaser in writing at the Purchaser's address specified in the Special Conditions of Contract (SCC), latest by the date specified in the invitation for Bids / NIT which would be deliberated as per clause 1.42.0 of instructions to the Bidders. Should the Purchaser deem it necessary to amend the Bidding Documents as a result of a clarification, it shall do so following the procedure under related clauses.

**The clarifications and amendment issued would be hoisted on the web site of the Purchaser for the benefit of the prospective bidders.**

## **1.7 Amendment of Bidding Documents**

1.7.1 At any time prior to the deadline for submission of bids, the Purchaser may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by amendment.

1.7.2 All prospective bidders who have received the bidding documents will be notified of the amendment in writing or by cable or by fax, or by e mail and will be binding on them. The same would also be hosted on the website of the Purchaser and all prospective bidders are expected to surf the website before submitting their bids to take cognizance of the amendments.

1.7.3 In order to allow prospective bidders reasonable time to take the amendment into account, vial in preparing their bids, the Purchaser, at its discretion, may extend the deadline for the submission of bids and host the changes on the website of the purchaser.

## **C. Preparation of Bids**

### **1.8 Language of Bid**

1.8.1 The bid prepared by the Bidder, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Purchaser, shall be written in English language only especially when the details are technical. However if GOI makes it mandatory under Raj Bhasha Adhinyam in that case use of Raj Bhasha unit of CSIR may be sought.

1.8.2 The Supplier shall bear all costs of translation, if any, to the English language and all risks of the accuracy of such translation, for documents provided by the Supplier.

### **1.9 Documents Comprising the Bid**

1.9.1 The bid prepared by the Bidder shall include:

- a) Bidder Information Form
- b) Bid security as specified in the Invitation to Bids.
- c) Service support details form;
- d) Deviation Statement Form;

- e) Performance Statement Form;
- f) Manufacturer's Authorization Form.
- g) Documentary evidence establishing that the bidder is eligible to bid and is qualified to perform the contract if its bid is accepted.
- h) Bid form.
- i) Documents establishing goods eligibility and conformity to bidding documents.
- j) Applicable Price Schedule Form.
- k) **Enlistment with Central Purchase Organization (e.g. DGS&D): Any Indian agent who wishes to quote directly on behalf of their Foreign Principal should be enlisted with Central Purchase Organization (e.g. DGS&D). For details please refer to DGS&D website under heading "Registration of firms", sub-heading "forms and guidelines for compulsory enlistment of Indian agent". Any bid submitted by such Indian Agents who are not enlisted with DGS&D will be summarily rejected.**

## **1.10. Bid form and price schedule**

1.10.1 The bidder shall complete the Bid Form and the appropriate price schedule form furnished in the bidding documents. These forms must be completed without any alterations to its format and no substitutes shall be accepted. All blank spaces shall be filled in with the information requested.

## **1.11 Bid Prices**

1.11.1 The Bidder shall indicate on the appropriate price schedule form, the unit prices and total bid prices of the goods it proposes to supply under the contract.

**The Bids have to be on F O R/ DDP ( Including unloading) CSIR – NEIST, Jorhat, i.e. the price should be quoted including all the charges (loading, transportation, unloading, insurance, installation, training, etc.) up to CSIR – NEIST, JORHAT – 785 006, ASSAM.**

1.11.2 Prices indicated on the price-schedule form shall be entered separately in the following manner:

### **(a) For Goods offered from within India**

The price of the goods quoted **F O R CSIR – NEIST, JORHAT – 785 006, ASSAM** including

- i. Taxes already paid as VAT and other taxes like excise duty etc. which will be payable on the goods if the contract is awarded.
- ii. The charges for inland transportation, insurance and other local services required for delivering the goods at the desired destination as specified in the price schedule form.
- iii. The installation, commissioning and training charges including any incidental services, if any.

**(b) For Goods offered from abroad**

The price of the goods, quoted on **F O R / DDP (Including unloading) CSIR – NEIST, JORHAT – 785 006, ASSAM** including as specified in the price schedule form.

- i. The charges for insurance and transportation and unloading of the goods to the port/place of destination.
- ii. The agency commission charges, if any.
- iii. The installation, commissioning and training charges including any incidental services, if any.

**1.11.3** The terms FOB, FCA, CIF, CIP, DAP, DDP, etc. shall be governed by the rules prescribed in the current edition of the Incoterms published by the International Chambers of Commerce, Paris.

Where there is no mention of packing, forwarding, freight, insurance charges, taxes etc. such offer may be rejected as incomplete

The price quoted shall remain fixed during the contract period and shall not vary on any account.

**1.11.5** All lots and items must be listed and priced separately in the Price Schedules. If a Price Schedule shows items listed but not priced, their prices shall be assumed to be included in the prices of other items. Lots or items not listed in the Price Schedule shall be assumed to be not included in the bid.

**The purchases made by the Purchaser for scientific purpose are exempt from Excise duty, and Customs Duty at a concessional rate is levy-able.**

**1.12 Bid Currencies**

1.12.1 Prices shall be quoted in Indian Rupees for offers received for supply from Within India and in freely convertible foreign currency including INR in case of offers received for supply from foreign countries.

**1.13 Documents Establishing Bidder's Eligibility and qualifications**

1.13.1 The bidder shall furnish, as part of its bid, documents establishing the bidders' eligibility to bid and its qualification to perform the contract if its bid is accepted.

1.13.2 The documentary evidence of the bidders qualification to perform the contract if the bid is accepted shall establish to the purchasers satisfaction that;

- a) The bidder meets the qualification criteria listed in bidding documents, if any.

- b) Bidder that doesn't manufacture the goods it offers to supply shall submit Manufacturers' Authorization Form (MAF) using the form specified in the bidding document to demonstrate that it has been duly authorized by the manufacturer of the goods to quote and/or supply the goods.
- c) In case a bidder not doing business within India, it shall furnish the certificate to the effect that the bidder is or will be represented by an agent in India equipped and able to carry out the supply, maintenance, repair/obligations etc during the warranty and post warranty period or ensure a mechanism at place for carrying out supply, maintenance, repair/obligations etc during the warranty and post warranty period.

1.13.3 Conditional tenders shall not be accepted

#### **1.14. Documents Establishing Goods' Eligibility and Conformity to Bidding Documents**

- 1.14.1 To establish the goods' eligibility, the documentary evidence of the goods and services eligibility shall consist of a statement on the country of origin of the goods and services offered which shall be confirmed by a certificate of origin at the time of shipment.
- 1.14.2 To establish the conformity of the goods and services to the specifications and schedule of requirements of the bidding document, the documentary evidence of conformity of the goods and services to the bidding documents may be in the form of literature, drawings and data, and shall consist of:
  - a) A detailed description of the essential technical and performance characteristics of the goods;
  - b) A list giving full particulars, including available sources and current prices, of spare parts, special tools, etc., necessary for the proper and continuing functioning of the goods during the warranty period following commencement of the use of the goods by the Purchaser in the Priced-bid; and
  - c) An item-by-item commentary on the Purchaser's Technical Specifications demonstrating substantial responsiveness of the goods and services to those specifications or a statement of deviations and exceptions to the provisions of the Technical Specifications.
- 1.14.3 For purposes of the commentary to be furnished pursuant to above, the Bidder shall note that standards for workmanship, material and equipment, designated by the Purchaser in its Technical Specifications are intended to be descriptive only and not restrictive. The Bidder may substitute these in its bid, provided that it demonstrates to the Purchaser's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

## 1.15 Bid Security

- 1.15.1 The Bidder shall furnish, as part of its bid, a bid security **(BS)** for an amount as specified in the Invitation for Bids. In the case of foreign bidders, the BS shall be submitted either by the principal or by the Indian agent and in the case of Indigenous bidders, the BS shall be submitted by the manufacturer or their specifically authorized dealer/bidder.
- 1.15.2 The bid security is required to protect the Purchaser against the risk of Bidder's conduct, which would warrant the security's forfeiture.
- 1.15.3 The bid security shall be in Indian Rupees for offers received for supply within India and denominated in the currency of the bid or in another freely convertible currency in the case of offers received for supplies from foreign countries in equivalent Indian Rupees. The bid security shall be in one of the following forms at the bidders' option:
- (a) A bank guarantee issued by a Nationalized/Scheduled bank/Foreign Bank in the form provided in the bidding documents and valid for 45 days beyond the validity of the bid. In case a bidder desires to submit a BG issued from a foreign bank, then the same should be confirmed by a nationalized / scheduled Indian bank; or
  - (b) Fixed Deposit receipt pledged in favour of the Lab/Institute (**Director, CSIR – NEIST, Jorhat**)
  - (c) A Banker's cheque or demand draft in favour of the purchaser issued by any nationalized/scheduled Indian bank.
- 1.15.4 The bid security shall be payable promptly upon written demand by the purchaser in case the conditions listed in the ITB clause 1.15.11 are invoked.
- 1.15.5 The bid security should be submitted in its original form. Copies shall not be accepted.
- 1.15.6 While bid security (EMD) is a requirement, the Director of the lab/institute may grant exemption of bid security to some specific parties having sound credentials and are of national/international repute.
- 1.15.7 The bid security of unsuccessful bidder will be discharged /returned as promptly as possible positively within a period of 30 days after the expiration of the period of bid validity or placement of order whichever is later without any interest
- 1.15.8 The successful Bidder's bid security will be discharged upon the Bidder furnishing the performance security, without any interest. Alternatively, the BS could also be adjusted against PS, if it is paid through DD or BC.

The firms registered with DGS&D & NSIC, Govt. public undertaking's, central autonomous bodies and with the CSIR labs or institutes, if any, are exempted, from payment of BS provided such registration includes the item they are offering which are manufactured by them and not for selling products manufactured by other companies.

1.15.10 In case a bidder intimates at the time of tender opening in writing that the bid security is kept inside the financial bid, then in such cases, the technical bid of the party would be accepted provisionally till opening of the financial bids with which the party has attached the bid security.

1.15.11 The bid security may be forfeited:

(a) If a Bidder withdraws or amends or impairs or derogates its bid during the period of bid validity specified by the Bidder on the Bid Form; or

(b) In case of a successful Bidder, if the Bidder fails to furnish order acceptance within 15 days of the order and / or fails to sign the contract and/or fails to furnish Performance Security within 21 days from the date of contract / order.

## **1.16 Period of Validity of Bids**

1.16.1 Bids shall remain valid for minimum of **90 days** after the date of bid opening prescribed by the Purchaser. A bid valid for a shorter period shall be rejected by the Purchaser as non-responsive.

1.16.2 In exceptional circumstances, the Purchaser may solicit the Bidder's consent to an extension of the period of validity. The request and the responses thereto shall be made in writing (or by cable, telex, fax or e-mail). The bid security provided shall also be suitably extended. A Bidder may refuse the request without forfeiting its bid security. A Bidder granting the request will not be required nor permitted to modify its bid.

1.16.3 Bid evaluation will be based on the bid prices without taking into consideration the above corrections.

## **1.17 Format and Signing of Bid**

1.17.1 The bids may be submitted in single envelope or in two parts as specified in the Invitation for Bids.

1.17.2 In case the bids are invited on **One envelope basis/Single Bid System**, then the bidder shall prepare the bid clearly marking "Original bid".

1.17.3 In case the bids are invited on **Two Bid System**, the bidder shall submit the bids in two separate parts. One part shall contain technical bid comprising all documents listed under clause relating to Documents Comprising the bid excepting bid form and price schedule. The other part shall contain the price

contain the price bid comprising bid form and price schedules.

- 1.17.4 The bid shall be typed or written in indelible ink and shall be signed by the bidder or a person or person's duly authorized to bind the bidder to the contract. All pages of the bid, except for un-amended printed literature, shall be initialled by the person or person's signing the bid.
- 1.17.5 Any interlineations erasures or over writing shall be valid only if their initialled by the person or person's signing the bid.

#### **D. Submission and sealing and marking of Bids**

##### **1.18 Submission, Sealing and Marking of Bids**

- 1.18.1 The bidders may submit their bids generally by post or by hand.
- 1.18.2 In the case of **bids invited on single envelope basis**, the Bidders shall seal the bid. The envelopes shall then be sealed in an outer envelope clearly marking the file number, name of item and do no open prior to \_\_\_\_\_.
- 1.18.3 In the case of **bids invited on two-part basis**, the Bidder shall seal the unpriced "Technical Bid" comprising the documents as listed in ITB 1.9.1 excepting for h & j and the priced bid in a separate envelopes duly marked as "Price Bid". Both the envelopes shall then be sealed in one outer envelope clearly marking the NIT number, file number, name of item and do no open prior to \_\_\_\_\_..
- 1.18.4 (a)The inner and outer envelopes shall be addressed to the Purchaser indicated in the **SCC**.  
  
(b)Bear the name and address of the bidder, Tender No., due date and a warning "**Do not open before** \_\_\_\_\_ "to be completed with the time and date as specified in the invitation for bids.
- 1.18.5 If the outer envelope is not sealed and marked as required above, the purchaser will assume no responsibility for the bid's misplacement or premature opening. In such cases, bids received in open condition within the due date and time will be accepted at the risk of the bidder if the same is presented to the Stores & Purchase Officer before expiry of the due date and time of opening of the bids.
- 1.18.6 Firms submitting bids in a single envelope against the requirement of two bid system would be considered for further evaluation at the risk & responsibility of the bidder.

##### **1.19. Deadline for Submission of Bids**

- 1.19.1 Bids must be received by the Purchaser at the address specified in Invitation for bids no later than the time and date specified therein. In the event of the specified date for the submission of Bids being declared a holiday for the

Purchaser, the Bids will be received up to the appointed time on the next working day.

- 1.19.2 The Purchaser may, at its discretion, extend the deadline for submission of bids by amending the bid documents in accordance with Clause relating to Amendment of Bidding Documents in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.

## **1.20 Late Bids**

- 1.20.1 Any bid received by the Purchaser after the deadline for submission of bids prescribed by the Purchaser will be rejected.
- 1.20.2 Such tenders shall be marked as late and not considered for further evaluation. They shall not be opened at all and be returned to the bidders in their original envelope without opening.

## **1.21. Withdrawal, substitution and Modification of Bids**

- 1.21.1 A Bidder may withdraw, substitute, or modify its Bid after it has been submitted by sending a written notice in accordance with ITB Clause 18 duly signed by an authorized representative, and shall include a copy of the authorization in accordance with ITB Sub-Clause 17.4 (except that no copies of the withdrawal notice are required). The corresponding substitution or modification of the bid must accompany the respective written notice. All notices must be:
- (a) Submitted in accordance with ITB Clauses 17 and 18 (except that withdrawal notices do not require copies), and in addition, the respective envelopes shall be clearly marked "WITHDRAWAL," "SUBSTITUTION," or "MODIFICATION;" and
  - (b) Received by the Purchaser prior to the deadline prescribed for submission of bids, in accordance with ITB Clause 19.
- 1.21.2 Bids requested to be withdrawn in accordance with ITB Sub-Clause 21.1 shall be returned unopened to the Bidders. No bid may be withdrawn, substituted, or modified in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the Bidder on the Bid Form or any extension thereof.

## **E. Opening and Evaluation of Bids**

### **1.22 Opening of Bids by the Purchaser**

- 1.22.1 The Purchaser will open all bids one at a time in the presence of Bidders' authorized representatives who choose to attend, as per the schedule given in invitation for bids. The Bidders' representatives who are present shall sign the quotation opening sheet evidencing their attendance. In the event of the specified date of Bid opening being declared a holiday for the Purchaser, the

Bids shall be opened at the appointed time and location on the next working day. In two-part bidding, the financial bid shall be opened only after the technical evaluation.

1.22.2 First, envelopes marked "WITHDRAWAL" shall be opened and read out and the envelope with the corresponding bid shall not be opened, but returned to the Bidder. No bid withdrawal shall be permitted unless the corresponding withdrawal notice contains a valid authorization to request the withdrawal and is read out at bid opening. Next, envelopes marked "SUBSTITUTION" shall be opened and read out and exchanged with the corresponding Bid being substituted, and the substituted Bid shall not be opened, but returned to the Bidder. No Bid substitution shall be permitted unless the corresponding substitution notice contains a valid authorization to request the substitution and is read out at bid opening. Envelopes marked "MODIFICATION" shall be opened and read out with the corresponding Bid. No Bid modification shall be permitted unless the corresponding modification notice contains a valid authorization to request the modification and is read out at Bid opening. Only envelopes that are opened and read out at Bid opening shall be considered further.

1.22.3 The bidders' names, bid modifications or withdrawals, bid prices, discounts, and the presence or absence of requisite bid security and such other details as the Purchaser, at its discretion, may consider appropriate, will be announced at the opening. No bid shall be rejected at bid opening, except for late bid(s). The contents of the bid forms and price schedules would however be announced only at the time of opening of Priced-bids in the case of two-bid system

1.22.4 Bids that are received late shall not be considered further for evaluation, irrespective of the circumstances.

Bidders interested in participating in the bid opening process, should depute their representatives along with an authority letter which shall be submitted to the purchaser at the time of bid opening.

### **1.23 Confidentiality**

1.23.1 Information relating to the examination, evaluation, comparison, and post qualification of bids, and recommendation of contract award, shall not be disclosed to bidders or any other persons not officially concerned with such process until publication of the Contract Award.

1.23.2 Any effort by a Bidder to influence the Purchaser in the examination, evaluation, comparison, and post qualification of the bids or contract award decisions may result in the rejection of its Bid.

### **1.24 Clarification of Bids**

1.24.1 To assist in the examination, evaluation, comparison and post qualification of

the bids, the Purchaser may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing and no change in prices or substance of the bid shall be sought, offered or permitted. However, no negotiation shall be held except with the lowest bidder, at the discretion of the purchaser. Any clarification submitted by a bidder in respect to its bid which is not in response to a request by the purchaser shall not be considered.

## **1.25 Preliminary Examination**

- 1.25.1 The Purchaser shall examine the bids to confirm that all documents and technical documentation requested in ITB Clause 1.9 have been provided, and to determine the completeness of each document submitted.
- 1.25.2 The Purchaser shall confirm that the following documents and information have been provided in the Bid. If any of these documents or information is missing, the offer shall be rejected.
- (i) Bid Form and Price Schedule, in accordance with ITB Sub-Clause 1.10
  - (ii) All the tenders received will first be scrutinized to see whether the tenders meet the basic requirements as incorporated in the tender enquiry document. The tenders, who do not meet the basic requirements, are to be treated as unresponsive and ignored. Following are some of the important points for which a tender may be declared as un responsive and to be ignored, during the initial scrutiny;
    - (iii) The bid is unsigned
    - (iv) The bidder is not eligible
    - (v) The bid validity is shorter than the required period
    - (vi) The bidder has quoted for goods manufactured by a different firm without the required authority letter from the proposed manufacturer.
    - (vii) Bidder has not agreed to give the required Performance Security
    - (viii) The goods quoted are sub-standard, not meeting the required specification etc.
    - (ix) Against the schedule of requirement (incorporated in the tender enquiry), the tenderer has not quoted for the entire requirement as specified in that schedule.
    - (x) The tenderer has not agreed to some essential condition(s) incorporated in the tender enquiry

## **1.26 Responsiveness of Bids**

- 1.26.1 Prior to the detailed evaluation, the purchaser will determine the substantial responsiveness of each bid to the bidding documents. For purposes of this clause, a substantive responsive bid is one, which conforms to all terms and condition of the bidding documents without material deviations, reservations or omissions. A material deviation, reservation or omission is one that:
- a) Affects in any substantial way the scope, quality, or performance of the Goods and Related Services specified in the Contract; or
  - b) Limits in any substantial way, inconsistent with the Bidding Documents, the Purchaser's rights or the Bidder's obligations under the Contract; or
  - c) If rectified, would unfairly affect the competitive position of other bidders presenting substantially responsive bids.
- 1.26.2 The purchasers' determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.
- 1.26.3 If a bid is not substantially responsive, it will be rejected by the Purchaser and may not subsequently be made responsive by the Bidder by correction of the material deviation, reservation or omission.

## **1.27 Non-Conformity, Error and Omission**

- 1.27.1 Provided that a Bid is substantially responsive, the Purchaser may waive any non - conformities or omissions in the Bid that do not constitute a material deviation.
- 1.27.2 Provided that a bid is substantially responsive, the Purchaser may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the Bid. Failure of the Bidder to comply with the request may result in the rejection of its Bid.
- 1.27.2 Provided that the Bid is substantially responsive, the Purchaser shall correct arithmetical errors on the following basis:
- a) If there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected;
  - b) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
  - C) If there is a discrepancy between words and figures, the amount in words

shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.

1.27.4 Provided that a bid is substantially responsive, the purchaser may request that a bidder may confirm the correctness of arithmetic errors as done by the purchasers within a target date. In case, no reply is received then the bid submitted shall be ignored and its bid security may be forfeited.

**1.28. Examination of Terms & Conditions, Technical Evaluation**

1.28.1 The Purchaser shall examine the Bid to confirm that all terms and conditions specified in the **GCC** and the **SCC** have been accepted by the Bidder without any material deviation or reservation.

1.28.2 The Purchaser shall evaluate the technical aspects of the Bid submitted in accordance with ITB Clause 14, to confirm that all requirements specified in Schedule of Requirements of the Bidding Documents have been met without any material deviation or reservation.

1.28.3 If, after the examination of the terms and conditions and the technical evaluation, the Purchaser determines that the Bid is not substantially responsive in accordance with ITB Clause 26, it shall reject the Bid.

**1.29. Conversion to Single Currency**

1.29.1 To facilitate evaluation and comparison, the Purchaser will convert all bid prices expressed in the amounts in various currencies in which the bid prices are payable to Indian Rupees at the selling exchange rate established by any bank in India as notified in the Newspapers on the date of bid opening in the case of single part bidding and the rates prevalent on the date of opening of the priced bids in the case of two-part bidding. For this purpose, exchange rate notified in [www.oanda.com](http://www.oanda.com), [www.Xe.com](http://www.Xe.com) or [www.rbi.org](http://www.rbi.org) or any other website could also be used by the purchaser.

**1.30. Evaluation and comparison of bids**

1.30.1 The Purchaser shall evaluate each bid that has been determined, up to this stage of the evaluation, to be substantially responsive.

1.30.2 To evaluate a Bid, the Purchaser shall only use all the factors, methodologies and criteria defined below. No other criteria or methodology shall be permitted.

1.30.3 The bids shall be evaluated on the basis of final landing cost, which shall be arrived as under:

The comparison will be made of FOR, CSIR-NEIST basis. Hence the price should be quoted with break-up as under:

**(a) For Goods offered from within India**

The price of the goods quoted **F O R / DDP CSIR – NEIST, JORHAT – 785 006, ASSAMBasis**, with break-up as under:

- i. Taxes already paid as VAT and other taxes like excise duty etc. which will be payable on the goods if the contract is awarded.
- ii. The charges for inland transportation, insurance, unloading and other local services required for delivering the goods at the desired destination as specified in the price schedule form.
- iii. The installation, commissioning and training charges including any incidental services, if any.

**(b) For Goods offered from abroad**

The price of the goods, quoted on **F O R / DDP CSIR – NEIST, JORHAT – 785 006** with break-up as under:

- i. The charges for insurance and transportation and unloading of the goods to the port/place of destination.
- ii. The agency commission charges, if any.
- iii. The installation, commissioning and training charges including any incidental services, if any.

**1.30.4 The comparison between the indigenous and the foreign offers shall be made after adding the charges as mentioned above and including all the items as per requirement on FOR/DDP basis. (Please note that against exemption certificate Excise Duty will be applicable as Nil and Custom Duty will be applicable @ 5% + surcharges like education Cess, etc)**

**For Price Comparison purpose in case of supplies offered from within India but outside Assam for Road Permit 4% will be added on FOR Price.**

**It may be noted that all the responsibilities, loading, transportation, unloading, insurance etc, will have to be borne by the Supplier/Indian Agent till delivery and successful installation of the Equipment.**

**Note: Where there is no separate mention of any of above charges, it will be presumed that the above charges are inclusive except above 4% for Road Permit (on Indigenous supply) and the firm will have to abide by the above requirements.**

1.30.5 Orders for imported stores need not necessarily be on FOB/FCA basis rather it can be on the basis of any of the incoterm specified in ICC incoterms 2000 / 2010 as may be amended from time to time by the ICC or any other designated authority and favourable to CSIR labs /institutes or head-quarters.

**1.31.1 The purchase shall compare all substantially responsive bids to determine the lowest evaluated bid, in accordance with ITB clause 1.30**

**1.32. Contacting the Purchaser**

1.32.1 Subject to Clause 1.24, no Bidder shall contact the Purchaser on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded.

1.32.2 Any effort by a Bidder to influence the Purchaser in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the Bidder's bid.

**1.33. Post qualification**

1.33.1 In the absence of pre-qualification, the Purchaser will determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated responsive bid is qualified to perform the contract satisfactorily, in accordance with the criteria listed in ITB Clause 13.

1.33.2 The determination will take into account the eligibility criteria listed in the bidding documents and will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, as well as such other information as the Purchaser deems necessary and appropriate.

1.33.3 An affirmative determination will be a prerequisite for award of the contract to the Bidder. A negative determination will result in rejection of the Bidder's bid.

**F- Award of Contract**

**1.34. Negotiations**

1.34.1 There shall not be any negotiation normally. Negotiations, if at all, shall be an exception and only in the case of items with limited source of supply. Negotiations shall be held with the lowest evaluated responsive bidder. Counter offers tantamount to negotiations and shall be treated at par with negotiations in the case of one time purchases

**1.35. Award Criteria**

1.35.1 Subject to ITB Clause 37 the Purchaser will award the contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined to be the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the contract satisfactorily.

### **1.36. Purchaser's right to vary Quantities at Time of Award**

1.36.1 The Purchaser reserves the right at the time of Contract award to increase or decrease the quantity of goods and services originally specified in the Schedule of Requirements without any change in unit price or other terms and conditions. Further, at the discretion of the purchaser, the quantities in the contract may be enhanced by 30% within the delivery period.

### **1.37. Purchaser's right to accept Any Bid and to reject any or All Bids**

1.37.1 The Purchaser reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidder or Bidders.

### **1.38. Notification of Award**

1.38.1 Prior to the expiration of the period of bid validity, the Purchaser will notify the successful bidder in writing by registered letter or by cable or telex or fax or e mail that the bid has been accepted by way of a purchase order.

1.38.2 Until a formal contract is prepared and executed, the notification of award should constitute a binding contract.

1.38.3 Upon the successful Bidder's furnishing of the signed Contract Form and performance security pursuant to ITB Clause 41, the Purchaser will promptly notify each unsuccessful Bidder and will discharge its bid security.

### **1.39. Signing of Contract**

1.39.1 Promptly after notification, the Purchaser shall send the successful Bidder the Agreement/PO.

### **1.40. Order Acceptance**

1.40.1 The successful bidder should submit Order acceptance within 15 days from the date of issue, failing which it shall be presumed that the vendor is not interested and his bid security is liable to be forfeited pursuant to clause 15.9 of ITB.

1.40.2 The order confirmation must be received within 15 days. However, the Purchaser has the powers to extend the time frame for submission of order confirmation and submission of Performance Security (PS). Even after extension of time, if the order confirmation /PS are not received, the contract shall be cancelled and limited tenders irrespective of the value shall be invited from the responding firms after forfeiting the bid security of the defaulting firm, where applicable, provided there is no change in specifications. In such cases the defaulting firm shall not be considered again for re-tendering in the particular case.

#### 1.41. Performance Security (P S)

- 1.41.1 Within 21 days of receipt of notification of award/PO, the supplier shall furnish performance security in the amount specified in **SCC**, valid till 60 days beyond the warranty period; alternatively the PS may also be submitted at the time of release of final payment in cases where part payment is made against delivery and part on installation. The PS where applicable shall be submitted in advance for orders where full payment is to be made on Letter of Credit (LC) or on delivery. In this case, submission of PS at the time of negotiation of documents through bank would be stipulated as a condition in the LC and the BS should be kept valid till such time the PS is submitted.
- 1.41.2 The proceeds of the performance security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.
- 1.41.3 The Performance Security shall be denominated in Indian Rupees for the offers received for supplies within India and denominated either in equivalent Indian Rupee or in the currency of the contract in the case of offers received for supply from foreign countries.
- 1.41.4 In the case of imports, the PS may be submitted either by the principal or by the Indian agent and, in the case of purchases from indigenous sources the PS may be submitted by either the manufacturer or their authorized dealer/bidder.
- 1.41.5 The Performance security shall be in one of the following forms:
- a) A Bank guarantee or stand-by Letter of Credit issued by a Nationalized/Scheduled bank located in India or a foreign bank with preferably its operating branch in India in the form provided in the bidding documents **Or**
  - b) A Banker's cheque or Account Payee demand draft in favour of the purchaser.  
**OR,**
  - c) A Fixed Deposit Receipt pledged in favour of the Purchaser.
- 1.41.6 The performance security will be discharged by the Purchaser and returned to the Supplier not later than 60 days following the date of completion of the Supplier's performance obligations, including any warranty obligations, unless specified otherwise in **SCC** without levy of any interest.
- 1.41.7 In the event of any contract amendment, the supplier shall, within 21 days of receipt of such amendment, furnish the amendment to the performance security, rendering the same valid for the duration of the contract, as amended for further period of 60 days thereafter.

## 1.42.0 Pre-bid Conference

- 1.42.1 A Pre-bid Conference shall be held as indicated in invitation to bid. All prospective bidders are requested to kindly attend the Pre-bid Conference. In order to facilitate the purchaser the proper conduct of the Pre-bid Conference, all prospective bidders are requested to kindly submit their queries by mail or by post (with envelope bearing Tender No. and Date on top and marked "Queries for Pre-bid Conference") so as to reach the purchaser as indicated in invitation to bid. The purchaser shall answer the queries during the pre-bid conference, which would become a part of the proceedings of the Pre-bid Conference. These proceedings will become a part of clarifications / amendments to the bidding documents and would become binding on all the prospective bidders.
- 1.42.2 **The amendments, if any, would be hoisted on the purchaser's website for the benefit of all the prospective bidders. Before formulating and submitting their bids, all prospective bidders are advised to surf through the purchaser's website after the Pre-bid Conference, in order to enable them take cognizance of the changes made in the bidding document.**
- 1.42.3 **The firms may give presentation (10 Minutes. Apprx.) followed by discussion during the meeting. The firms are required to be specific on the points as per required Specification/Parameters as per NIT. It will be better to have Technical Compliance statement with their suitable model and their remarks/observations on the points. This may be sent early also (at least 2 days prior) by mail to spo@neist.res.in/spopur@gmail.com to be ready for the discussions.**

## 1. Definitions

1.1 In this Contract, the following terms shall be interpreted as indicated:

The following words and expressions shall have the meanings hereby assigned to them

“Contract” means the Contract Agreement entered into between the Purchaser and the Supplier, together with the Contract Documents referred to therein, including all attachments, appendices, and all documents incorporated by reference therein.

“Contract Documents” means the documents listed in the Contract Agreement, including any amendments thereto.

“Contract Price” means the price payable to the Supplier as specified in the Contract Agreement, subject to such additions and adjustments thereto or deductions there from, as may be made pursuant to the Contract.

“Day” means calendar day.

“Completion” means the fulfilment of the Related Services by the Supplier in accordance with the terms and conditions set forth in the Contract.

“GCC” means the General Conditions of Contract.

“Goods” means all of the commodities, raw material, machinery and equipment, and/or other materials that the Supplier is required to supply to the Purchaser under the Contract.

“Related Services” means the services incidental to the supply of the goods, such as transportation, insurance, installation, training and initial maintenance and other such obligations of the Supplier under the Contract.

“SCC” means the Special Conditions of Contract.

“Subcontractor” means any natural person, private or government entity, or a combination of the above, to whom any part of the Goods to be supplied or execution of any part of the Related Services is subcontracted by the Supplier.

“Supplier” means the natural person, private or government entity, or a combination of the above, whose bid to perform the Contract has been accepted by the Purchaser and is named as such in the Contract Agreement.

The “Council” means the Council of Scientific & Industrial Research (CSIR), registered under the Societies Registration Act, 1860 of the Govt. of India having its registered office at 2, Rafi Marg, New Delhi-110001, India and the “Purchaser” means any of the constituent Laboratory/Institute of the Council situated at any designated place in India as specified in **SCC**.

“The final destination,” where applicable, means the place named in the **SCC**.

## **2. Contract Documents**

- 2.1 Subject to the order of precedence set forth in the Contract Agreement, all documents forming the Contract (and all parts thereof) are intended to be correlative, complementary, and mutually explanatory. The Contract Agreement shall be read as a whole.

## **3. Fraud and Corruption**

- 3.1 The purchaser requires that bidders, suppliers, contractors and consultants, if any, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy,
- (a) The terms set forth below are defined as follows:
- (i) "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;
  - (ii) "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;
  - (iii) "Collusive practice" means a scheme or arrangement between two or more bidders, with or without the knowledge of the Borrower, designed to establish bid prices at artificial, non-competitive levels; and
  - (iv) "Coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of a contract;
- (b) The purchaser will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question;

## **4. Joint Venture, Consortium or Association**

- 4.1 If the Supplier is a joint venture, consortium, or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfilment of the provisions of the Contract and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. The composition or the constitution of the joint venture, consortium, or association shall not be altered without the prior consent of the Purchaser.

## **5. Scope of Supply**

- 5.1 The Goods and Related Services to be supplied shall be as specified in the Schedule of Requirements.

## **6. Suppliers' Responsibilities**

6.1 The Supplier shall supply all the Goods and Related Services included in the Scope of Supply in accordance with Scope of Supply Clause of the GCC, and the Delivery and Completion Schedule, as per GCC Clause relating to delivery and document.

## **7. Contract price**

7.1 Prices charged by the Supplier for the Goods supplied and the Related Services performed under the Contract shall not vary from the prices quoted by the Supplier in its bid.

7.2 The Bids have to be on **F O R / DDP (Including unloading), CSIR-NEIST, Jorhat, ASSAM basis**, i.e. the price should be quoted accordingly including all the requirement.

## **8. Copy Right**

8.1 The copyright in all drawings, documents, and other materials containing data and information furnished to the Purchaser by the Supplier herein shall remain vested in the Supplier, or, if they are furnished to the Purchaser directly or through the Supplier by any third party, including suppliers of materials, the copyright in such materials shall remain vested in such third party.

## **9. Application**

9.1 These General Conditions shall apply to the extent that they are not superseded by provisions in other parts of the Contract.

## **10. Standards**

10.1 The Goods supplied and services rendered under this Contract shall conform to the standards mentioned in the Technical Specifications and Schedule of Requirements, and, when no applicable standard is mentioned, to the authoritative standard appropriate to the Goods' country of origin and such standards shall be the latest issued by the concerned institution.

## **11. Use of Contract Documents and Information**

11.1 The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far, as may be necessary for purposes of such performance.

11.2 The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information enumerated above except for purposes of performing the Contract.

11.3 Any document, other than the Contract itself, enumerated above shall remain the property of the Purchaser and shall be returned (in all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so required by the Purchaser.

## **12. Patent Indemnity**

12.1 The Supplier shall, subject to the Purchaser's compliance with GCC Sub-Clause 12.2, indemnify and hold harmless the Purchaser and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Purchaser may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of:

- a) The installation of the Goods by the Supplier or the use of the Goods in India; and
- b) The sale in any country of the products produced by the Goods.

12.2 If any proceedings are brought or any claim is made against the Purchaser, the Purchaser shall promptly give the Supplier a notice thereof, and the Supplier may at its own expense and in the Purchaser's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim.

## **13. Performance Security**

13.1 The Supplier shall furnish performance security in the amount specified in **SCC**, at the time of release of final payment after installation and acceptance.

13.2 The proceeds of the performance security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.

13.3 The Performance Security shall be denominated in the currency of the contract.

13.4 PS may be submitted either by the principal or by the Indian agent

13.5 The Performance security shall be in one of the following forms:

- (a) A Bank guarantee or stand-by Letter of Credit issued by a Nationalized/Scheduled bank located in India or a bank located abroad in the form provided in the bidding documents. Or
- (b) A Banker's cheque or Account Payee demand draft in favour of the purchaser. Or,

(c) A Fixed Deposit Receipt pledged in favour of the Purchaser.

- 13.6 The performance security will be discharged by the Purchaser and returned to the Supplier not later than 60 days following the date of completion of the Supplier's performance obligations, including any warranty obligations, unless specified otherwise in **SCC**.
- 13.7 In the event of any contract amendment, the supplier shall, within 21 days of receipt of such amendment, furnish the amendment to the performance security, rendering the same valid for the duration of the contract, as amended for further period of 60 days thereafter.
- 13.8 The order confirmation should be received within 15 days from the date of notification of award. However, the Purchaser has the powers to extend the time frame for submission of order confirmation and submission of Performance Security (PS). Even after extension of time, if the order confirmation /PS are not received, the contract shall be cancelled and limited tenders irrespective of the value would be invited from the responding firms after forfeiting the bid security of the defaulting firm, where applicable provided there is no change in specifications. In such cases the defaulting firm would not be considered again for re-tendering in the particular case.

#### **14. Inspections and Tests**

- 14.1 The Supplier shall at its own expense and at no cost to the Purchaser carry out all such tests and/or inspections of the Goods and Related Services as specified in the **SCC**
- 14.2 The Purchaser or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Contract specifications at no extra cost to the Purchaser. The Technical Specifications and SCC shall specify what inspections and tests the Purchaser requires and where they are to be conducted. The Purchaser shall notify the Supplier in writing in a timely manner of the identity of any representatives retained for these purposes.
- 14.3 The inspections and tests may be conducted on the premises of the Supplier or its subcontractor(s), at the point of delivery and/or at the Goods final destination. If conducted on the premises of the Supplier or its subcontractor(s), all reasonable facilities and assistance, including access to drawings and production data - shall be furnished to the inspectors at no charge to the Purchaser.
- 14.4 Whenever the Supplier is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Purchaser. The Supplier shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Purchaser or its designated representative to attend the test and/or inspection.
- 14.5 Should any inspected or tested Goods fail to conform to the specifications, the

Purchaser may reject the goods and the Supplier shall either replace the rejected Goods or make alterations necessary to meet specification requirements free of cost to the Purchaser.

- 14.6 The Purchaser's right to inspect, test and, where necessary, reject the Goods after the Goods' arrival at final destination shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representative prior to the Goods shipment.
- 14.7 The Supplier shall provide the Purchaser with a report of the results of any such test and/or inspection.
- 14.8 With a view to ensure that claims on insurance companies, if any, are lodged in time, the bidders and /or the Indian agent shall be responsible for follow up with their principals for ascertaining the dispatch details and informing the same to the Purchaser and he shall also liaise with the Purchaser to ascertain the arrival of the consignment after clearance so that immediately thereafter in his presence the consignment could be opened and the insurance claim be lodged, if required, without any loss of time. Any delay on the part of the bidder/ Indian Agent would be viewed seriously and he shall be directly responsible for any loss sustained by the purchaser on the event of the delay.

## **15. Packing**

- 15.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.
- 15.2 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be provided for in the Contract including additional requirements, if any, specified in **SCC** and in any subsequent instructions ordered by the Purchaser.

## **16. Delivery and Documents**

- 16.1 Delivery of the Goods and completion and related services shall be made by the Supplier in accordance with the terms specified by the Purchaser in **SCC**.  
The details of shipping and/or other documents to be furnished by the supplier are specified in **SCC**.
- 16.2 The terms FOB, FCA, CIF, CIP etc shall be governed by the rules prescribed in the current edition of the Incoterms published by the International Chambers of Commerce, Paris.
- 16.3 The mode of transportation shall be as specified in **SCC**.

## **17. Insurance**

- 17.1 The Goods supplied under the Contract shall be fully insured in Indian Rupees against any loss or damage incidental to manufacture or acquisition, transportation, storage and delivery, unloading and storage up to successful installation in the manner specified in **SCC**.
- 17.2 The supplier shall arrange and pay for Cargo Insurance, naming the purchaser as beneficiary and initiate & pursue claims till settlement, on the event of any loss or damage.
- 17.3 With a view to ensure that claims on insurance companies, if any, are lodged in time, the bidders and /or the Indian agent shall be responsible for follow up with their principals for ascertaining the dispatch details and informing the same to the Purchaser and he shall also liaise with the Purchaser to ascertain the arrival of the consignment after clearance so that immediately thereafter in his presence the consignment could be opened and the insurance claim be lodged, if required, without any loss of time. Any delay on the part of the bidder/Indian Agent would be viewed seriously and he shall be directly responsible for any loss sustained by the purchaser on the event of the delay.

## **18. Transportation**

- 18.1 As the offers are required to be quoted on FOR / DDP OUGURI HILLS, TEZPUR – 784 001, ASSAM basis including unloading and installation, the Supplier is required under the Contract to deliver the Goods to the agreed place of destination plus unloading shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract price.

## **19. Incidental Services**

- 19.1 The supplier may be required to provide any or all of the services, if any, specified in **SCC**.

## **20. Spare Parts**

- 20.1 The Supplier shall be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier:
- (a) Such spare parts as the Purchaser may elect to purchase from the Supplier, providing that this election shall not relieve the Supplier of any warranty obligations under the Contract; and
  - (b) In the event of termination of production of the spare parts:
    - (i) Advance notification to the Purchaser of the pending termination, in sufficient time to permit the Purchaser to procure needed requirements; and
    - (ii) Following such termination, furnishing at no cost to the Purchaser, the

blueprints, drawings and specifications of the spare parts, if requested.

## **21. Warranty**

- 21.1 The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.
- 21.2 The Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in India.
- 21.3 The warranty period shall be as mentioned in **SCC**.
- 21.4 The Purchaser shall give notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Purchaser shall afford all reasonable opportunity for the Supplier to inspect such defects.
- 21.5** Upon receipt of such notice, the Supplier shall, within the period specified in the **SCC**, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the Purchaser.
- 21.6** **If having been notified, the Supplier fails to remedy the** defect within the period specified in the **SCC**, the Purchaser may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.

## **22. Terms of Payment**

- 22.1 The method and conditions of payment to be made to the Supplier under this Contract shall be as specified in the **SCC**.
- 22.2 The Supplier's request(s) for payment shall be made to the Purchaser in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and the Services performed, and by documents, submitted pursuant to Delivery and document Clause of the GCC and upon fulfilment of other obligations stipulated in the contract.
- 22.3 Payments shall be made promptly by the Purchaser within thirty (30) days after submission of the invoice and duly certified by the user.
- 22.4 Payment shall be made in currency as indicated in the contract.

## **23. Change Orders and Contract Amendments.**

- 23.1 The Purchaser may at any time, by written order given to the Supplier pursuant to Clause on Notices of the **GCC** make changes within the general scope of the Contract in any one or more of the following:

- (a) Drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;
- (b) The method of shipping or packing;
- (c) The place of delivery; and/or
- (d) The Services to be provided by the Supplier.
- (e) The delivery schedule.

23.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within fifteen (15) days from the date of the Supplier's receipt of the Purchaser's change order.

23.3 No variation or modification in the terms of the contract shall be made except by written amendment signed by the parties.

#### **24. Assignment**

24.1 The Supplier shall not assign, in whole or in part, its obligations to perform under the Contract, except with the Purchaser's prior written consent.

#### **25. Subcontracts**

25.1 The Supplier shall notify the Purchaser in writing of all subcontracts awarded under this Contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the Supplier from any liability or duties or obligation under the Contract.

#### **26. Extension of time.**

26.1 Delivery of the Goods and performance of the Services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser.

26.2 If at any time during performance of the Contract, the Supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the Supplier shall promptly notify the Purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may, at its discretion, extend the Supplier's time for performance with or without penalty, in which case the extension shall be ratified by the parties by amendment of the Contract.

26.3 Except as provided under the Force Majeure clause of the **GCC**, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of penalty pursuant to Penalty Clause of the **GCC** unless an extension of time is agreed upon pursuant to above clause without the application of penalty clause.

## **27. Penalty clause**

27.1 Subject to **GCC** Clause on Force Majeure, if the Supplier fails to deliver any or all of the Goods or to perform the Services within the period(s) specified in the Contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as penalty, a sum equivalent to the percentage specified in **SCC** of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the Percentage specified in **SCC**. Once the maximum is reached, the Purchaser may consider termination of the Contract pursuant to **GCC** Clause on Termination for Default.

## **28. Termination for Default**

28.1 The Purchaser may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Supplier, terminate the Contract in whole or part:

- a) If the Supplier fails to deliver any or all of the Goods within the period(s) specified in the contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause on Extension of Time; or
- b) If the Supplier fails to perform any other obligation(s) under the Contract.
- c) If the Supplier, in the judgment of the Purchaser has engaged in corrupt or fraudulent or collusive or coercive practices as defined in GCC Clause on Fraud or Corruption in competing for or in executing the Contract.

28.2 In the event the purchaser terminates the contract in whole or in part, he may take recourse to any one or more of the following action:

- a) The Performance Security is to be forfeited;
- b) The purchaser may procure, upon such terms and in such manner as it deems appropriate, stores similar to those undelivered, and the supplier shall be liable for all available actions against it in terms of the contract.
- c) However, the supplier shall continue to perform the contract to the extent not terminated.

## **29. Force Majeure**

- 29.1 Notwithstanding the provisions of GCC Clauses relating to extension of time, penalty and Termination for Default the Supplier shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- 29.2 For purposes of this Clause, "Force Majeure" means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
- 29.3 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such conditions and the cause thereof within 21 days of its occurrence. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- 29.4 If the performance in whole or in part or any obligations under the contract is prevented or delayed by any reason of force majeure for a period exceeding 60 days, either party may at its option terminate the contract without any financial repercussions on either side.

## **30. Termination for Insolvency**

- 30.1 The Purchaser may at any time terminate the Contract by giving written notice to the Supplier, if the Supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the Purchaser.

## **31. Termination for Convenience**

- 31.1 The Purchaser, by written notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective.
- 31.2 The Goods that are complete and ready for shipment within 30 days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:

- a) To have any portion completed and delivered at the Contract terms and prices; and/or
- b) To cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and for materials and parts previously procured by the Supplier.

## **32. Settlement of Disputes**

- 32.1 The Purchaser and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.
- 32.2 If, after twenty-one (21) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the Goods under the Contract.
- 32.3 The dispute settlement mechanism/arbitration proceedings shall be concluded as under:  
In case of Dispute or difference arising between the Purchaser and a domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory modifications or re-enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to the Director General, Council of Scientific & Industrial Research and if he is unable or unwilling to act, to the sole arbitration of some other person appointed by him willing to act as such Arbitrator. The award of the arbitrator so appointed shall be final, conclusive and binding on all parties to this order.
- In the case of a dispute between the purchaser and a Foreign Supplier, the dispute shall be settled by arbitration In accordance with provision of sub-clause (a) above. But if this is not acceptable to the supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules.
- 32.4 The venue of the arbitration shall be the place from where the order is issued.
- 32.5 Notwithstanding any reference to arbitration herein, the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and the Purchaser shall pay the Supplier any monies due the Supplier.

### **33. Governing Language**

33.1 The contract shall be written in English language, which shall govern its interpretation. All correspondence and other documents pertaining to the Contract, which are exchanged by the parties, shall be written in the English language only.

### **34. Applicable Law**

34.1 The Contract shall be interpreted in accordance with the laws of the Union of India and all disputes shall be subject to place of jurisdiction as specified in **SCC**.

### **35. Notices**

35.1 Any notice given by one party to the other pursuant to this contract/order shall be sent to the other party in writing or by cable, telex, FAX or e mail and confirmed in writing to the other party's address specified in the **SCC**.

35.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

### **36. Taxes and Duties**

36.1 For goods manufactured outside India, the Supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside India.

36.2 For goods Manufactured within India, the Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred till its final manufacture/production.

36.3 If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in India, the Purchaser shall make its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent.

### **37. Right to use Defective Goods**

37.1 If after delivery, acceptance and installation and within the guarantee and warranty period, the operation or use of the goods proves to be unsatisfactory, the Purchaser shall have the right to continue to operate or use such goods until rectifications of defects, errors or omissions by repair or by partial or complete replacement is made without interfering with the Purchaser's operation.

### **38. Protection against Damage**

38.1 The system shall not be prone to damage during power failures and trip outs.

### **39. Site preparation and installation**

The Purchaser is solely responsible for the construction of the equipment sites in Compliance with the technical and environmental specifications defined by the Supplier. The Purchaser will designate the installation sites before the scheduled installation date to allow the Supplier to perform a site inspection to verify the appropriateness of the sites before the installation of the Equipment, if required. The supplier shall inform the purchaser about the site preparation, if any, needed for installation, of the goods at the purchaser's site immediately after notification of award.

### **40. Acceptance test:**

#### **Acceptance test to be carried out as per following criteria.**

- Necessitates complete shipment of all items as per purchase order & their successful installation and meeting their technical specifications.
- The performance of all the manufactured items and all outsourced items, if any (such as UPS, computers, pneumatic items) have to match with those offered /given in the technical manuals and projected specifications.
- A satisfactory demonstration at our site to meet these requirements is a must. The supplied items should be of latest version available in the market at the time of shipment.

### **41. Integrity Pact**

41.1 It will or will not be required in above case(s) as per SCC.

Business Address: \_\_\_\_\_

(a) The cost of optional items shall be indicated separately.

(b) Cost of spares \_\_\_\_\_

**Details of commercial terms and conditions should be attached with this schedule.**

## Chapter 5

### Qualification requirements

As per ITB, GCC, SCC and Technical & Allied Specification in respect of :-

**(1) 400 MHz FT-NMR SPECTROMETER UNDER BUY-BACK OFFER FOR EXISTING BRUKER MAKE MODEL AVANCE DPX 300 MHz FT-NMR SPECTROMETER;**

**(2) X-RAY PHOTOELECTRON SPECTROMETER (XPS);**

**(3) FLUORESCENCE ACTIVATED CELL SORTER (FACS) and**

**(4) CONFOCAL LASER SCANNING MICROSCOPE**

## Chapter 6

# Contract form

Contract No. \_\_\_\_\_

Date: \_\_\_\_\_

THIS CONTRACT AGREEMENT is made

The *[insert: number]* day of *[insert: month]*, *[insert: year]*.

BETWEEN

- (1) The Council of Scientific & Industrial Research registered under the Societies Registration Act 1860 of the Government of India having its registered office at 2, Rafi Marg, New Delhi-110001, India represented by \_\_\_\_\_ *[insert complete name and address]* of Purchaser (hereinafter called "the Purchaser"), and
- (2) *[insert name of Supplier]*, a corporation incorporated under the laws of *[country of Supplier]* and having its principal place of business at *[insert: address of Supplier]* (hereinafter called "the Supplier")

WHEREAS the Purchaser invited bids for certain Goods and ancillary services, viz., *[insert brief description of Goods and Services]* and has accepted a Bid by the Supplier for the supply of those Goods and Services in the sum of *[insert Contract Price in words and figures, expressed in the Contract currency(ies)]* (hereinafter called "the Contract Price").

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

1. In this Agreement words and expressions shall have the same meanings as are respectively assigned to them in the Conditions of Contract referred to.
2. The following documents shall constitute the Contract between the Purchaser and the Supplier, and each shall be read and construed as an integral part of the Contract:
  - (a) This Contract Agreement
  - (b) Special Conditions of Contract
  - (c) General Conditions of Contract
  - (d) Technical Requirements (including Schedule of Requirements and Technical Specifications)
  - (e) The Supplier's Bid and original Price Schedules
  - (f) The Purchaser's Notification of Award
  - (g) *[Add here any other document(s)]*

3. This Contract shall prevail over all other Contract documents. In the event of any discrepancy or inconsistency within the Contract documents, then the documents shall prevail in the order listed above.
4. In consideration of the payments to be made by the Purchaser to the Supplier as hereinafter mentioned, the Supplier hereby covenants with the Purchaser to provide the Goods and Services and to remedy defects therein in conformity in all respects with the provisions of the Contract.
5. The Purchaser hereby covenants to pay the Supplier in consideration of the provision of the Goods and Services and the remedying of defects therein, the Contract Price or such other sum as may become payable under the provisions of the Contract at the times and in the manner prescribed by the Contract.

IN WITNESS whereof the parties hereto have caused this Agreement to be executed in accordance with the laws of Union of India on the day, month and year indicated above.

For and on behalf of the Council of Scientific & Industrial Research

Signed: *[insert signature]*

in the capacity of *[ insert title or other appropriate designation ]*

in the presence of *[insert identification of official witness]*

Signed: *[insert signature]*

in the capacity of *[ insert title or other appropriate designation ]*

in the presence of *[insert identification of official witness]*

For and on behalf of the Supplier

Signed: *[insert signature of authorized representative(s) of the Supplier]*

In the capacity of *[insert title or other appropriate designation]*

in the presence of *[ insert identification of official witness]*

## **2. MANUFACTURERS' AUTHORIZATION FORM (MAF)**

*[The Bidder shall require the Manufacturer to fill in this Form in accordance with the instructions indicated. This letter of authorization should be on the letterhead of the Manufacturer and should be signed by a person with the proper authority to sign documents that are binding on the Manufacturer.]*

Date: *[insert date (as day, month and year) of Bid Submission]*

Tender No.: *[insert number from Invitation For Bids]*

To: *[insert complete name and address of Purchaser]*

WHEREAS

We *[insert complete name of Manufacturer]*, who are official manufacturers of *[insert type of goods manufactured]*, having factories at *[insert full address of Manufacturer's factories]*, do hereby authorize *[insert complete name of Bidder]* to submit a bid the purpose of which is to provide the following Goods, manufactured by us *[insert name and or brief description of the Goods]*, and to subsequently negotiate and sign the Contract.

We hereby extend our full guarantee and warranty in accordance with Clause 21 of the General Conditions of Contract, with respect to the Goods offered by the above firm.

Signed: *[insert signature(s) of authorized representative(s) of the Manufacturer]*

Name: *[insert complete name(s) of authorized representative(s) of the Manufacturer]*

Title: *[insert title]*

Duly authorized to sign this Authorization on behalf of: *[insert complete name of Bidder]*

Dated on \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ *[insert date of signing]*

### 3. BID SECURITY FORM

Whereas \_\_\_\_\_ (herein after called the tenderer") has submitted their offer dated \_\_\_\_\_ for the supply of \_\_\_\_\_ (hereinafter called the tender")

Against the purchaser's tender enquiry No. \_\_\_\_\_ KNOW ALL MEN by these presents that WE \_\_\_\_\_ of \_\_\_\_\_ having our registered office at \_\_\_\_\_ are bound unto \_\_\_\_\_ (Hereinafter called the "Purchaser")

In the sum of \_\_\_\_\_

For which payment will and truly to be made to the said Purchaser, the Bank binds itself, its successors and assigns by these presents. Sealed with the Common Seal of the said Bank this \_\_\_\_\_ day of \_\_\_\_\_ 20\_\_\_\_\_.

THE CONDITIONS OF THIS OBLIGATION ARE:

- (1) If the tenderer withdraws or amends, impairs or derogates from the Tender in any respect within the period of validity of this tender.
- (2) If the tenderer having been notified of the acceptance of his tender by the Purchaser during the period of its validity:-
  - a) If the tenderer fails to furnish the Performance Security for the due Performance of the contract.
  - b) Fails or refuses to accept/execute the contract.

WE undertake to pay the Purchaser up to the above amount upon receipt of its first written demand, without the Purchaser having to substantiate its demand, provided that in its demand the Purchaser will note that the amount claimed by it is due to it owing to the occurrence of one or both the two conditions, specifying the occurred condition or conditions.

This guarantee will remain in force upto and including 45 days after the period of tender validity and any demand in respect thereof should reach the Bank not later than the above date.

\_\_\_\_\_  
(Signature of the authorized officer of the Bank)

\_\_\_\_\_  
Name and designation of the officer

\_\_\_\_\_  
Seal, name & address of the Bank and address of the Branch

**4. PERFORMANCE STATEMENT FORM (For a period of last 3 years)**

**Name of the Firm.....**

Order Placed by (full address of Purchaser)	Order No. and date	Description On and quantity of ordered equipment	Value of order	Date of Completion of delivery as per contract	Date actual of completion of delivery.	Remarks Indicates reasons for late delivery, if any	Has the equipment been installed satisfactorily ? (Attach a certificate from the purchaser/Consignee)	Contact person along with Telephone No., FAX No. and mail address e-

**Signature and Seal of the manufacturer/Bidder.....**

**Place :**

**Date :**

If for more period it is required for any item, give information accordingly.

**5. DEVIATION STATEMENT FORM**

1) The following are the particulars of deviations from the requirements of the tender specifications:

CLAUSE	DEVIATION	REMARKS (INCLUDING JUSTIFICATION)

Place:

Date:

Signature and seal of theManufacturer/Bidder

NOTE:

- 1) Where there is no deviation, the statement should be returned duly signed with an endorsement indicating "No Deviations".

**6. SERVICE SUPPORT DETAIL FORM**

Sl. No.	Nature of training Imparted	List of similar type equipment serviced In the past 3 years	Address, Telephone Nos. Fax Nos. and e-mail address

Signature and Seal of the manufacturer/Bidder.....

Place :

Date :

## 7. **Bid Form**

*[The Bidder shall fill in this Form in accordance with the instructions indicated No alterations to its format shall be permitted and no substitutions shall be accepted.]*

Date: *[insert date (as day, month and year) of Bid Submission]*

Tender No.: *[insert number from Invitation for Bids]*

Invitation for Bid No.: *[insert No of IFB]*

To: *[insert complete name of Purchaser]*

We, the undersigned, declare that:

- (a) We have examined and have no reservations to the Bidding Documents, including Addenda No.: *[insert the number and issuing date of each Addenda]*;
- (b) We offer to supply in conformity with the Bidding Documents and in accordance with the Delivery Schedules specified in the Schedule of Requirements the following Goods and Related Services *[insert a brief description of the Goods and Related Services]*;
- (c) The total price of our Bid, excluding any discounts offered in item (d) below, is:  
*[Insert the total bid price in words and figures, indicating the various amounts and the respective currencies]*;
- (d) The discounts offered and the methodology for their application are:

**Discounts.** *If our bid is accepted, the following discounts shall apply. [Specify in detail each discount offered and the specific item of the Schedule of Requirements to which it applies.]*

- (e) Our bid shall be valid for the period of time specified in ITB Sub-Clause 20.1, from the date fixed for the bid submission deadline in accordance with ITB Sub-Clause 24.1, and it shall remain binding upon us and may be accepted at any time before the expiration of that period;
- (f) If our bid is accepted, we commit to obtain a performance security in accordance with ITB Clause 41 and GCC Clause 13 for the due performance of the Contract;
- (g) The following commissions, gratuities, or fees have been paid or are to be paid with respect to the bidding process or execution of the Contract: *[insert complete name of each Recipient, its full address, the reason for which each commission or gratuity was paid and the amount and currency of each such commission or gratuity]*

Name of Recipient	Address	Reason	Amount
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

(If none has been paid or is to be paid, indicate "none.")

- (k) We understand that this bid, together with your written acceptance thereof included in your notification of award, shall constitute a binding contract between us, until a formal contract is prepared and executed.
- (l) We understand that you are not bound to accept the lowest evaluated bid or any other bid that you may receive.

Signed: *[insert signature of person whose name and capacity are shown]*  
 In the capacity of *[insert legal capacity of person signing the Bid Submission Form]*

Name: *[insert complete name of person signing the Bid Submission Form]*

Duly authorized to sign the bid for and on behalf of: *[insert complete name of Bidder]*

Dated on \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ *[insert date of signing]*

**8. PERFORMANCE SECURITY FORM**

To

(Name of Purchaser)

WHEREAS \_\_\_\_\_

(Name and address of the supplier) (Hereinafter called "the Supplier") has undertaken, in pursuance of contract No. \_\_\_\_\_ dated \_\_\_\_\_ to supply (description of goods and services) ((hereinafter called "the Contract").

AND WHEREAS it has been stipulated by you in the said contract that the supplier shall furnish you with a bank guarantee by a scheduled commercial recognized by you for the sum specified therein as security for compliance with its obligations in accordance with the contract;

AND WHEREAS we have agreed to give the supplier such a bank guarantee;

NOW THEREFORE we hereby affirm that we are guarantors and responsible to you, on behalf of the supplier, up to a total of \_\_\_\_\_

\_\_\_\_\_ (amount of the guarantee in words and figures), and we undertake to pay you, upon your first written demand declaring the supplier to be in default under the contract and without cavil or argument, any sum or sums within the limits of (amount of guarantee) as aforesaid, without your needing to prove or to show grounds or reasons for your demand or the sum specified therein.

We hereby waive the necessity of your demanding the said debt from the supplier before presenting us with the demand.

We further agree that no change or addition to or other modification of the terms of the contract to be performed thereunder or of any of the contract documents which may be made between you and the supplier shall in any way release us from any liability under this guarantee and we hereby waive notice of any such change, addition or modification.

This guarantee shall be valid until the \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.

\_\_\_\_\_

\_\_\_\_\_  
Name and designation of the Officer

\_\_\_\_\_  
Seal, name & address of the Bank and address of the Branch.

## 9. Acceptance certificate form

No.

Dated:

M/s \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Sub: Certificate of commissioning of equipment (Computer/Server, etc.)

1. This is to certify that the equipment as detailed below has/have been received in good condition along with all the standard and special accessories (subject to remarks in Para 2). The same has been installed and commissioned.

- (a) Contract No. \_\_\_\_\_ Date \_\_\_\_\_
- (b) Description of the equipment \_\_\_\_\_
- (c) Name of the consignee \_\_\_\_\_
- (d) Scheduled date of delivery of the consignment to the Lab./Instts. \_\_\_\_\_
- (e) Actual date of receipt of consignment by the Lab./Instts. \_\_\_\_\_
- (f) Scheduled date for completion of installation/commissioning \_\_\_\_\_
- (g) Actual date of completion of installation/commissioning \_\_\_\_\_
- (h) Penalty for late delivery (at Lab./Instts. level) Rs. \_\_\_\_\_
- (i) Penalty for late installation (at Lab./Instts. level) Rs. \_\_\_\_\_

1. Details of accessories/items not yet supplied and recoveries to be made on that account:

Sl. No.	Description	Amount to be recovered
---------	-------------	------------------------

2. The acceptance test has been done to our entire satisfaction. The supplier has fulfilled his contractual obligations satisfactorily

Or

The supplier has failed to fulfil his contractual obligations with regard to the following:

(a).....

(b) .....

(c).....

(d).....

The amount of recovery on account of failure of the supplier to meet his contractual obligations is as indicated at Sr. No. 1.

## 10. BANK GUARANTEE FOR ADVANCE PAYMENT

To: \_\_\_\_\_ (name of Purchaser)  
\_\_\_\_\_ (address of Purchaser)  
\_\_\_\_\_ (name of Contract)

Gentlemen:

In accordance with the provisions of the Special Conditions of Contract which amends Clause 16 of the General Conditions of Contract (name and address of Supplier) (hereinafter called "the supplier") shall deposit with (name of Purchaser) a bank guarantee to guarantee his proper and faithful performance

Under the said Clause of the Contract in an amount of (amount of guarantee \*  
(in words). We, the

(bank or financial institution), as instructed

By the Supplier, agree unconditionally and irrevocably to guarantee as primary obligator and not as Surety merely, the payment to (name of Purchaser) on his first demand without whatsoever right of objection on our part and without his first claim to the Supplier, in the amount not exceeding (Amount of guarantee)\*  
(In words).

We further agree that no change or addition to or other modification of the terms of the Contract to be performed thereunder or of any of the Contract documents which may be made between

\_\_\_\_\_ (Name of Purchaser) and the Supplier, shall in any way release us from any liability under this guarantee, and we hereby waive notice of any such change, addition or modification.

This guarantee shall remain valid and in full effect from the date of the advance payment received by the Supplier under the contract until

\_\_\_\_\_

Yours truly,  
Signature and seal :

Name of bank/  
Financial institution

Address :  
Date

## 11. TECHNICAL COMPLIANCE STATEMENT FORM

An item-by-item commentary on the Purchaser's Technical Specifications demonstrating substantial responsiveness of the goods and services to those specifications or a statement of deviations and exceptions to the provisions of the Technical Specifications.

ITEM NAME			
Sl.No.	Tender Specifications	Bidder's Specifications	Remarks/Deviation If any

***(Technical literature/brochures/manuals should be attached along with this format)***

**Please note:**

1. Compliance/Deviation statement comparing the specifications of the quoted model to the required specifications. This statement should also give the page number(s) of the technical literature where the relevant specification is mentioned.
2. Bids must have supporting documents (technical literature or copies of relevant pages from the service manual or factory test data) for all the points noted above, failure regarding which may result in rejection of bid.

## Chapter 8

### Specifications and Allied Technical details

#### Item No. 1

#### Specifications of 400 MHZ FT-NMR SPECTROMETER UNDER Buy-Back:

400 MHz FT-NMR Spectrometer under Buy-back offer may be given for an existing Bruker (Switzerland) make, Model Avance DPX 300 MHz FT-NMR Spectrometer. The existing equipment can be inspected in Analytical Chemistry Group(CSTD) of CSIR – NEIST, JORHAT.

High performance actively highly-shielded 400 MHz superconducting magnet system for multi-dimensional Solution-state NMR experiments.

Magnet System with standard narrow bore and operation field at 9.4 Tesla more than 300 days liquid helium hold time and Liquid Nitrogen hold time more than 07 days.

Helium level meter with alarm function for low helium level, nitrogen level sensor, anti-vibration feet pad for dampening the floor vibrations, liquid Helium transfer lines. Stainless steel cabinet with electromagnetic compatibility and safety regulations. The part number, detailed specifications of superconducting magnet and its installation site requirements, such as complete dimensions of the magnet and minimum operational height (for liquid helium transfer and other servicing).

Field stability: To be mentioned.

High performance Orthogonal Shim system with minimum of twenty room-temperature shim systems and specify the number of cryoshims. Smart magnet control system for shim and lock control and digital lock control unit with automatic facility.

The system should be with routing capabilities for frequency/amplifier selection under full computer control with 2H amplifier, lock switch and gradient shims.

Auto-shimming and manual shimming facility.

5mm multinuclear Broad Band Direct/observe Z-gradient Probe capable of covering almost all nuclei ranges and computer controlled automatic tuning and matching and able to perform all the inverse experiments with high S/N ratio.

One  $^1\text{H}/^{13}\text{C}$  NMR probe. One solid state CP-MAS probe with essential accessories. All probes should have automated Tuning and Matching.

The instrument must have the facility to record NMR at variable temperature at least in the range of -80 °C to +100 °C with temperature accuracy +/- 0.01°C and with low and high-temperature accessories (with +/- 1°C room temperature stability, +18 to 40 °C ambient).

A suitable computer for performing NMR equipment operation and colour laser printer along with necessary accessories. 8 GB RAM or more, 1 TB HDD or more.

### **Software**

Latest NMR acquisition and processing software with Plotting, Structure Verification and Analysis of 1D and 2D Spectroscopy.

The software should be latest one and should function all latest parameters in automatically. PC controlled Windows based operating system for NMR Data acquisition (arbitrary dimensions and processing of 1D, 2D, 3D and 4D experiments.) NMR GUI for training of users in use of 1D and 2D experiments with NMR literature library.

Structure analysis software should be provided with licenses along with one processing PC (with latest configuration) for off-line processing (Processing, Plotting, Structure Verification, Multiplet Analysis, Deconvolution, Automation, and Projection Reconstruction Spectroscopy).

### **List of accessories required:**

**Required Consumables and Spares:** Consumables along with the machine such as spares, tool kits essential for routine operations. 5 mm NMR sample tube with caps with length of 178 mm (7") of 100 sets.

### **Other Accessories**

- Sufficient number of spares for routine maintenances.
- Complete set of Original Instruction Manuals
- Liquid nitrogen transfer lines (02 Nos.)
- Liquid nitrogen transfer tubes: 02 sets
- Liquid nitrogen (LN2) Dewars (04 Nos) of 60 ltr capacity with pressure gauge and the required tubing of adequate length has to be supplied along with the machine.
- Suitable oil free scroll air-compressor, refrigerated dryer and air filter.
- Suitable Online UPS (Inductive Load) with built-in isolation transformer with minimum 2 (two) hours back-up time under full load for complete system will be required.
- Liquid helium and liquid nitrogen needed for installation and for quench if occurred during installation and afterwards. Liquid He refilling to be provided for continuous stability of cryomagnet and the system. Free installation, including cryogenic liquids and gases of initial supply and all such initial requirements needed for installation.
- Spectroscopy kit: Sample tubes: 5 mm - 500 pcs; Caps, 5 mm: 600 pcs; Spinner standard, 5 mm: 3 pieces and extra for solid probe; Sample Solvent height measuring device

**Warranty:**

On-site Comprehensive maintenance warranty which shall include magnet, probes, and all accessories for 5 years which should include :

- a) All parts and labour.
- b) Free maintenance and service.
- c) Regular upgrades to all software during the entire warranty period.

**Training:** On-site operational level training for at least two weeks shall be provided by the firm during installation and commissioning..

**After sale service:** Supplier should mention their details of service setup and manpower at nearest location, who will be responsible for after sale support. Response time should be within 48 hrs. Supplier is expected to provide probe backup in case of probe breakdown at customer's site so that users are not affected.

**Low temperature accessory:** Low temperature accessory with at least 26 liter LN2 dewar, evaporator and transfer line for operation with LN2 low temperature limit.

**Optional requirements:**

- <sup>19</sup>F probe
- <sup>31</sup>P probe
- Auto sampler: Automatic sample changer for 5mm spinners for minimum 16 to maximum 60 samples and should include 60 spinners.
- **All necessary components / accessories required for installation and smooth running of the equipment to be quoted.**
- Bidder should ensure availability of spares for at least 10 (ten) years.
- Annual Maintenance Contract (AMC) for 5 (five) years with 2 (two) preventive and 1 (one) break down visit minimum. The rates will be obtained but not included in the total cost for price comparison.
- Insurance coverage and liaising with insurance company for any matter will be the responsibility of the supplier up to the installation of the instrument.

**(Please ensure to check and mention all the above parameters and requirements in the technical compliance statement)**

## Item No.2

### Specification of X-RAY PHOTOELECTRON SPECTROSCOPY (XPS) WITH XPS MAPS:

Sl. No.	Requirements / parameters / parts	Specifications in detail
1.	General Requirement for:	<p>The proposed system must be able to characterize all kind of solid materials used for a broad range of material applications.</p> <p>To include:</p> <ol style="list-style-type: none"><li>1. XPS - X-ray photoelectron Spectroscopy The chemical state, elemental composition of materials such as inorganic, organic, polymeric, nanocomposites etc,</li><li>2. UPS - Ultraviolet Photoelectron Spectroscopy Valence band studies</li><li>3. AES - Auger Electron Spectroscopy Inter- and intrastate transitions of electrons to yield information about the chemical composition of a surface</li></ol>
2.	Complete System	<ol style="list-style-type: none"><li>1. The ability to perform large area XPS measurements.</li><li>2. The ability to perform complete XPS measurements from selected areas which include the ability to provide survey spectra, narrow region spectra from elements of interest, and sputter depth profiling if required.</li><li>3. The ability to perform small area XPS measurements without damaging the nature of the surface of the sample.</li><li>4. The ability to obtain optical images and XPS maps for locating sample features of interest with a suitable mechanism.</li><li>5. Sputter depth profiling should be available in both the large and selected area analysis mode.</li><li>6. In the selected area mode, multipoint sputter depth profiling should be available to simultaneously obtain depth profiles on and off of a selected sample features or material defect.</li><li>7. The ability to perform angle dependent XPS measurements. In this the whole of the X ray spot is within the analysis area over the range of</li></ol>

		<p>sample angles.</p> <p>8. The ability to provide azimuthal rotation during the sputter portion of a sputter depth profile.</p> <p>9. Robust charge neutralization capability for the analysis of insulating materials to facilitate ease-of-use and automated analysis.</p> <p>10. Robust auto-Z height alignment of samples to facilitate ease-of-use and automated analysis.</p> <p>11. In-built easy-to-use software packages for instrument operation and data reduction.</p> <p>12. The data reduction package should be available in a stand-alone format for off-line data reduction.</p>
3.	Vacuum system	<p>A UHV Mu-metal chamber with ports that allow for the additional X-ray sources, ion sources and sample preparation chambers to meet current and future needs.</p> <p>Pre chamber and specimen chambers with proper heating and cooling. The vacuum status and temperature should be controlled with proper monitoring with digital display.</p> <p>The state of art turbo molecular pump (oil free preferred) with auto control fail safe operation to create vacuum <math>5 \times 10^{-10}</math> mbar or better.</p> <p>Vacuum pumping system consisting of turbo molecular and Ti Sublimation pump with software controlled vacuum management.</p>
4.	Detector	Multichannel detector assembly should provide high sensitivity and resolution in both the spectroscopy and mapping analysis mode.
5.	Analyser	<p><b>Electron Energy Analyzer with software package</b></p> <p>The energy analyzer should be 180° hemispherical analyzer with an electrostatic input lens to avoid the problems associated with magnetic immersion lenses.</p>
6.	Sample entry system and sample manipulator	<p>Assisted with turbo-molecular pump</p> <ol style="list-style-type: none"> <li>1. Sample holder kit</li> <li>2. Facility to load multi samples at a time</li> <li>3. Multistage for parking of the samples</li> <li>4. Motorized XYZ-theta manipulator</li> <li>5. Sample heating facility upto 800 °C</li> <li>6. Sample cooling facility with LN2</li> <li>7. Argon sputter ion gun in the sample preparation chamber</li> </ol>
7.	Water chiller	Proper power supply and control system for the X-

	system	ray source with proper cooling system (Water circulated) and source should be protected from all safety measures.
8.	Source for XPS	A mono-chromated scanning Al K $\alpha$ and dual anode Al/Mg K $\alpha$
9.	Source for UPS	<b>Ultraviolet Photoelectron Spectroscopy:</b> UV source (Hel and Hell) for Ultraviolet photoelectron spectroscopy.
10.	X -ray beam size	The diameter of the mono-chromated scanning X-ray beam must be adjustable from 15 $\mu$ m or less to 100 $\mu$ m or more.  The mono-chromated scanning x-ray beam must have the ability to scan the X-ray beam, of any specified diameter, on the sample, to an area of 1 mm x 1 mm or better  Fully automated 5-axis (X, Y, Z, rotation and tilt) euscentric specimen stage with bakeable motors on
11.	Source for AES Auger Electron	<b>Auger Electron spectroscopy:</b> 5keV Auger electron source with one micron or less electron beam size with secondary electron detector for AES studies.
12.	Source for Depth profiling	Ion source (argon) with variable ion energy in the range 0.2keV to 1 keV or better along gas lines and high precision leak valve for gas inlet.
13.	Flood gun-charge neutraliser system	The instrument should be equipped with a robust dual/single beam charge neutralization system that uses low energy electrons (typically 1-2 eV) and low energy ions (typically 5-10 eV) for charge neutralization
14.	Heating and Cooling system	In situ heating and cooling stage (-100°C to 600°C or better) option and to maintain all 5 axes functionality.
15.	Camera	Microscope Specimen viewing with a high resolution color CCD Camera with digital zoom facility and proper light source illumination.
16.	XPS mapping	XPS spectroscopy, XPS mapping and X-ray induced secondary electron imaging with a minimum spatial resolution of 10 $\mu$ m or less  The system should be capable of performing angle dependent XPS measurements at multiple angles automatically under software control and maintain the original analysis position as the angle is changed.  X-ray induced secondary electron imaging capabilities for the precise definition of the analysis position should be provided

17.	Sensitivity of selected area, size and resolution	XPS sensitivity as demonstrated using Au (4f <sub>7/2</sub> ) and Ag 3d <sub>5/2</sub> peak performance shown in the table below is required to ensure a viable selected area and large area XPS capability		
		Mandatory Sensitivity Selected area analysis	Size	Resolution
		≥ 1500 cps	≤ 15 μm	≤ 0.50 eV
		≥ 6000 cps	≤ 20 μm	≤ 0.60 eV
		≥ 45 kcps	≤ 20 μm	≤ 1.00 eV
		≥ 60 kcps	≤ 20 μm	≤ 1.30 eV
Large area analysis				
≥ 250 kcps	100 x 1400 μm	≤ 0.60 eV		
≥ 2 McPS	Large area	≤ 1.00 eV		
18.	Remote access	<p>The system must have the ability to be controlled remotely via an internal network or the internet.</p> <p>Remote diagnostic facility for maintenance and control of the system.</p>		
19.	Operational Software-Data Analyzer; Computer system and printer:	<p>Complete software (Windows based) for data acquisition and data processing including background subtraction, smoothing, peak identification, curve fitting, de-convolution of peaks for multiple chemical states etc.</p> <p>Should include the complete latest libraries.</p> <p>The software package should be given off line multi user license to at least ten numbers.</p> <p>Any up gradation in the software package should be made available with free of cost.</p> <p>Suitable high configuration computer for running the system.</p> <p>Color LaserJet printer.</p>		
20.	Spare Parts	<p>All recommended set of spares and consumables for five years operation (Please provide a complete list of spares with item-wise price)</p>		
21.	Training and Installation	<p>Comprehensive training by experienced and qualified engineers on the operation, basic maintenance of the system (for both the hardware and software) and trouble-shooting must be provided on-site for a period of 20 days in two sessions.</p>		

22.	Instrument Warranty	On-site comprehensive Warranty for 5 years for complete system from the date of complete installation & commissioning
23.	UPS (Uninterrupted Power supply)	20 KW or suitable wattage (for complete system) UPS, 3-phase input and single phase output with in-built transformer with 2 hour battery back-up should be provided.  Separate UPS with 2 hour battery back-up for chiller.  Isolation transformer along with the UPS
24.	Manuals and circuit diagrams	Complete set of manuals in English language for operation, and servicing of the equipment. All circuit diagrams and block diagrams must be provided for the main unit, sub systems and accessories (including bought out items)

**Other terms & conditions:**

- 1) Service response time, turn-around time & up-time of the equipment should be clearly specified
  - 2) List of users of the Instrument in last 5 years in India with contact address to be provided
  - 3) Pre-installation requirements are to be stated clearly, and to be verified/surveyed by the supplier at the installation site.
  - 4) The supplier must submit technical brochures and proper application notes adequately explaining and confirming the availability of the features in the model of the equipment
- **All necessary components / accessories required for installation and smooth running of the equipment to be quoted.**
  - Bidder should ensure availability of spares for at least 10 (ten) years.
  - Annual Maintenance Contract (AMC) for 5 (five) years with 2 (two) preventive and 1 (one) break down visit minimum. The rates will be obtained but not included in the total cost for price comparison.
  - Insurance coverage and liaising with insurance company for any matter will be the responsibility of the supplier up to the installation of the instrument.

**(Please ensure to check and mention all the above parameters and requirements in the technical compliance statement)**

### Item No. 3

## Specification of FLUORESCENCE ACTIVATED CELL SORTER (FACS):

### **Detail Specifications:**

#### **1. Lasers:** -

Lasers should have fixed Optical Bench and lasers with wavelength ranges from minimum of 488nm to 633nm **with minimum of 3 lasers or more** such as 488nm Blue laser; 561 YG laser and 633 Red laser with beam spot size minimum 5µm x 80 µm (3 color) or better.

#### **2. Parameters:**

- a) Provided with Forward Scatter, Side Scatter & 09 colors/ Fluorescence Detectors.
- b) Should have a Fixed Align Optics with Optical arrays of Octagon and Trigons
- c) Should have Analysis speeds of **up to 100,000 events / second or more**
- d) Should exhibit Sorting speeds of **up to 70,000 events / second or more**
- e) Fluidics cart should include sheath, waste, and cleaning containers
- f) Minimum two way and/ or four way sorting into 12 x 75-mm, and 15 mL tubes/microtubes or better
- g) Automated cell deposition unit (ACDU) module provided with **automated sorting into 6, 24, 48, 96, and 384-well plates and slides**
- h) Should contain sample injection chamber for various sample input tubes, including microtubes, 12 x 75-mm, and 15 ml tubes or better
- i) Nozzle size should be **in the range of 70, 85, 100, and 130-micron sizes or more**
- j) Purity: **minimum purity of 98% post sorting is must**
- k) Sample injection volume should be minimum **20µl to 4ml** or better
- l) Should have facility of size exclusion and non-clogging or non-clumping of cells
- m) Proper color compensation with no overlapping of different colors/ wavelengths.
- n) Suitable latest software (2Nos.): one with instrument for instrument operation and data management and the other one for analysis
- o) Should be supplied with suitable sheath fluid

#### **3. Work station and Data Management System:**

Should provide suitable work station with latest version of device compatible with the system with following requirements:

- a) Processor: Xeon 3.6GHz
- b) HDD: 1TB with RAID 5 (mirror)

- c) OS: Microsoft latest OS to be compatible with the supplied software.
- d) Display: 23'' LED Monitor
- e) RAM: 8GB upgradable to 16GB

#### **4. General:**

- a) On-site Comprehensive Warranty for the Equipment for 5 (five) years after successful installation and commissioning.
  - b) Suitable Online UPS (inductive load) with built-in isolation transformer with minimum 2 (two) hours back-up time under full load for complete system will be required.
  - c) The company should clearly specify the pre-installation requirements
  - d) The company should provide consumable for minimum of 100 reactions at the time of installation
  - e) The company should provide additional sheath fluid of at least 100 liters or more
  - f) Detailed list of users in India and especially in North East region with contact details should be given.
- 
- **All necessary components / accessories required for installation and smooth running of the equipment to be quoted.**
  - Training on operation and maintenance of the machine are to be imparted by the firm during installation and commissioning.
  - Bidder should ensure availability of spares for at least 10 (ten) years.
  - Annual Maintenance Contract (AMC) for 5 (five) years with 2 (two) preventive and 1 (one) break down visit minimum. The rates will be obtained but not included in the total cost for price comparison.
  - Insurance coverage and liaising with insurance company for any matter will be the responsibility of the supplier up to the installation of the instrument.

**(Please ensure to check and mention all the above parameters and requirements in the technical compliance statement)**

**(Item No. 4)**

**Specification of CONFOCAL LASER SCANNING MICROSCOPE:**

**Detail Specifications:**

**1. Inverted microscope (Fully Motorized)**

- a. Bright field, Fluorescence and differential interface contrast (DIC) illumination with facility for confocal scan head attachment
- b. Automatic (motorized) beam path selection for visual and confocal imaging
- c. Motorized Z focus facility i.e., highest resolution drive with minimum stable resolution of 30 nm or better
- d. Online display screen on microscope body for the motorised functions
- e. Minimum 6 position or higher motorized fluorescent light (FL) filter wheel, with minimum 6 position motorized DIC nosepiece
- f. Motorised XY scanning stage for the movement of specimen using suitable joy-stick with in built software to control the joy-stick
- g. Minimum 12v/100w halogen illumination for transmitted light
- h. High resolution confocal grade objectives of 4x, 10x, 20x, 40x, 60x/63x oil (N.A 1.4 or better) and 60x/63x water (Numerical aperture (NA) 1.25 or better) & 100x oil immersion (N.A 1.4 or better)
- i. Minimum 120w/130w metal halide or mercury lamp with a minimum of 1 year of lamp life for fluorescence observation with automatic shutter having DC (direct current) to provide constant and non-fluctuating light
- j. Dedicated attachment for converting inverted microscope to upright microscope for deep imaging applications in the sample such as biofilms and porous material
- k. The equipment should accompany with the facility to install in suitable long term platform.
- l. High resolution cooled monochrome CCD/CMOS camera having minimum 14 million or better net effective pixel resolution.

## **2. Scan head and detection system of Confocal System**

- a. Scan head with dual imaging capability with conventional fluorescence imaging (filter/prism based) and real time confocal imaging.
- b. Detectors should be capable of working in Intensity and Spectral mode Imaging. Should be capable of simultaneous detection and separation of minimum 5 fluorophores. The detection unit should be a combination of 2 PMT & 3 GaAsP/HyD. The high sensitive detectors should have QE approx. 45% or better
- c. Computer controlled continuously variable single pinhole system, which should cover wider area for higher brightness and without affecting sectioning performance.
- d. The scanner should have "ROI" scan capability for fast scan. Maximum scan resolution should be at least 6Kx6K or better per channel and should reduce to 16X16 resolution.
- e. Scan speed should be minimum 7-10 fps or better @ 512x512. The scan head should be able to perform fast dynamic live cell time lapse imaging with ROI capability with a high speed of minimum 150-200 fps or better @512X32 resolution.
- f. The scan field diagonal should be atleast 20 mm or better. Scan Zoom range from 1X to 40X or better with increments of 0.1X.
- g. System should possess efficient dichroic mirror with low angle incidence for higher transmission efficiency.
- h. Maximum scan resolution of up to 4Kx4K or better with a scan field of 18mm or higher
- i. Scan zoom of 1-40X or more continuous variable. Multi step scanning zoom preferred
- j. It should be capable of conducting long time live cell imaging applications without focus drift through hardware LED (more than 850nm) based continuous focus correction System.
- k. Onstage CO2 incubator for live cell imaging, which can hold petriplate& multiwall plate etc.
- l. Transmitted light detector to be provided for capturing bright field and DIC images.

## **3. Lasers: Pre aligned Solid state Visible laser module with laser lines of**

- a) Multi-line Ar laser with 458/488/514nm.
- b) He Ne 543nm.
- c) HeNe 594 nm.
- d) HeNe 633 nm.
- e) Blue Diode Laser 405/408nm.

All visible lasers should be connected to the scan head through fiber optic cable and should be controlled through AOTF for fast laser switching and attenuation in pixel precise synchronization with the laser scanner for ROI scan for FRAP, Photo activation/conversion experiments. All the laser lines should be controlled through a computerized AOTF device for fast laser switching and attenuation.

#### **4. Hardware Based high Resolution Imaging Attachment:**

- a) Fully automated and motorized High Resolution attachment with suitable high sensitive Detectors for complete Vis Spectrum.
- b) The system should be able to work in High resolution as well as Confocal Mode for normal imaging.
- c) Should be able to achieve Lateral resolution of atleast 120-150 nm and Axial resolution of approximately 300-400nm.
- d) Detection should be based on GaAsP/HyD or high sensitive detectors.
- e) Any sample used for Confocal system should be used for imaging in High resolution mode without changing sample preparation techniques/protocol.
- f) Live cell imaging should be a must in high resolution mode. All laser lines for Confocal Imaging should be used for imaging in high resolution mode.
- g) A fast piezo focusing stage insert for fast z stack imaging with travel range of atleast 100 microns or better for fast imaging in Confocal and SR mode.
- h) Frame rate of minimum 15 fps@512X512 or better and should improve to 100 fps @512X16 and ROI in HR mode.

#### **5. Computer Workstation (To be supplied from principal company)**

Latest 64 bit control computer with Intel Xeon 6 Core Processor  
 DDR RAM 48 GB HDD: 4 TB SATA upgradable to 8 TB or better, DVD, SuperMulti  
 SATA +R/RW

Graphics: AT Fire GL V5200 256MB DH DVI, Gigabit Ethernet, Win 7 Ultimate 64 bit, USB 2.0, Fire wire. Large 32" or better LCD TFT monitor.

#### **6. Controlling and Analysis Software**

- a) Basic image acquisition, Complete microscope control, Scan head control and Laser control software. Same software should be capable to control Super-Resolution microscope.
- b) Saving of all instrument parameters along with the image for repeatable/reproducible imaging
- c) Frame/line/lambda capturing, Z-Stack, Time series imaging capabilities
- d) ROI bleach for FRAP experiments
- e) FRET Imaging, Multipoint Time Lapse Imaging.
- f) Co-localization analysis and volume rendering
- g) Real time ratio-display
- h) 2 D and 3D image deconvolution
- i) Diverse measurement and statistical processing
- j) Software should be capable to record Live graphs of different Live cell imaging experiments as a recorded data.
- k) System should be capable to enhance the resolution above diffraction limit using hardware OR software to improve confocal resolution appr. 160nm in XY and minimum of 350-400nm in Z.

## **7. General**

- a) On-site Comprehensive Warranty for the Equipment for 5 (five) years after successful installation and commissioning.
  - b) Suitable Online UPS (inductive load) with built-in isolation transformer with minimum 2 (two) hours back-up time under full load for complete system will be required.
  - c) The company should clearly specify the pre-installation requirements
  - d) Detailed list of users in India and especially in North East region with contact details should be given.
- **All necessary components / accessories required for installation and smooth running of the equipment to be quoted.**
  - Training on operation and maintenance of the machine are to be imparted by the firm during installation and commissioning.
  - Bidder should ensure availability of spares for at least 10 (ten) years.

- Annual Maintenance Contract (AMC) for 5 (five) years with 2 (two) preventive and 1 (one) break down visit minimum. The rates will be obtained but not included in the total cost for price comparison.
- Insurance coverage and liaising with insurance company for any matter will be the responsibility of the supplier up to the installation of the instrument.

**(Please ensure to check and mention all the above parameters and requirements in the technical compliance statement)**

## Chapter 9.

### Evaluation of tender.

Unless specifically mentioned, the overall lowest bid meeting the technical specifications will be selected for placement of purchase order.

**A. Grounds for summary rejection of bid / offer without any further clarification at preliminary evaluation stage:**

1. Unsigned bid
2. Late or delayed bid
3. Bid validity is shorter than the required period
4. The bid is not accompanied by Earnest Money Deposit (EMD) if EMD is required
5. The bidder is not eligible
6. Not willing to provide performance security if it is requirement of tender.

**B. Grounds to be considered as material deviation for rejection of bid / offer without any further clarification will be at the discretion of the CSIR-NEIST authority during intensive technical evaluation stage. However, CSIR-NEIST authority reserves the right to get clarification/confirmation on any given point.**
