

Honourable DG, CSIR visited CSIR-NEIST, Jorhat

Dr PS Ahuja, Honourable Director General, Council of Scientific and Industrial Research visited CSIR- North East Institute of Science & Technology, Jorhat during 1st - 2nd September 2014. Within this short visit, after his arrival in the next morning Honourable Director General, CSIR addressed the staff members and students of CSIR-NEIST in a meeting held at DR JN Baruah Auditorium with the premises of the laboratory. He emphasized on certain critical issues of the system like upgradation of manpower skills at large in Administration, full implementation of ERP by 2015 in a mission mode, to generate balance sheet through ERP with more emphasis on Purchase and Finance and requested to focus on the Ethos of Council like technology/product/process development for Industry, Society, Environment and to some extent for strategic sector leading ultimately to the translational research. The meeting started with the welcome remarks by Dr D Ramaiah, Director, CSIR-NEIST. Dr Sudeep Kumar, Head, PPD, CSIR also addressed the gathering on the occasion. He mentioned to focus on the goals of CSIR. All the staff members and students of CSIR-NEIST attended the meeting. The meeting ended with the vote of thanks offered by Dr RC Boruah, Outstanding Scientist, CSIR-NEIST.
