

Training on 'Mushroom Cultivation' and 'Vermicomposting' under STINER on 16th June 2020

As a part of STINER-entrepreneurship development activity, CSIR-NEIST has imparted training on 'Mushroom Cultivation' and 'Vermicomposting' to a group of interested women from the NEIST colony on 16 June 2020. Representatives from two Self-Help Group (SHG) s, 'Ma-Bhawani' & 'Adhar' were invited for the training due to the COVID-19 pandemic situation in the country.
